*\*\*This dress code is in place to keep our dancers safe and to be able to provide them with the best instruction. Wearing clothing that is inappropriate for the style of dance being performed can hinder the dancer's ability to perform certain movements and the dance teacher's ability to observe body structures and movements that are critical to correct technique and injury prevention. If there are barriers preventing your dancer from wearing the appropriate clothing for their class, please discuss this with their instructor or other En Avant staff.\**
